INVITES YOU:

*Do you live or visit the Southeastern Community Plan Area?
What improvements would you like to see in your neighborhood?*

Plan for your community!

Join us for an interactive event to discuss prioritizing public infrastructure projects like parks, street improvements and libraries. Public input is an important part of this process! There will be live music, snacks, and activities for children. Gift cards may be provided as available for those that share their time to provide feedback.*

Thursday, June 22
6:00-8:00 p.m.

**Mountain View
